

Fertility Services With Assisted Reproductive Technologies

WITH KAISER PERMANENTE

If you're looking to start or expand your family but are having difficulty conceiving, you have medical coverage and support as a Kaiser Permanente member.

About your benefits

Your plan covers the diagnosis and treatment of involuntary infertility, artificial insemination, in vitro fertilization (IVF), gamete intrafallopian transfer (GIFT), and zygote intrafallopian transfer (ZIFT), subject to utilization review. Fertility treatment services are subject to a lifetime benefit maximum. Additional examples of covered services include fertility office visits, treatments, diagnostic lab tests, X-rays, and surgeries.
